Club Sells Bonds For Jeep

Piloteers Re-open Booth for Bonds in College Hall

"The Sixth War Loan drive in jaysee is in a special way the job of the Piloteers, one of the four service clubs active on the campus," stated Helen Asher, chairman of the committee for national service in the college. Two years ago the Piloteers built the bond booth now placed in College Hall and have conducted the sale of stamps and bonds on the campus during each drive.

"We hope to make the week of Dec. 1-8 our top-notch," Helen Asher added, "as General Eisenhower said the most important job for the people at home is to make the Sixth War Loan a success. The Piloteers really feel that our men on all fronts are depending upon us and we are going at this thing as hard as we can. We would if we alone were selling bonds in all the United States."

HELEN ASHER

Board Issues Progress Report

In order to acquaint college students and the public with the present status of the development of a new campus, El Don requested a statement from the Board of Education in this regard. The following reply was received:

"The present Santa Ana Board of Education, soon after its organization in April, 1943, felt that one of the major projects of this regime would be to solve the question of the new Junior College campus and plant, and we were unanimous in this determination.

"In view of this fact, we invited a group of citizens to meet with us and discuss the various phases of the Junior College program, and these citizens urged the Board of Education to proceed with the purchase of a location. After giving adequate consideration to all the problems involved, it is our seasoned judgment to proceed with the establishment of a campus at Seventeenth and Bristol streets, which location has been given approval by the Planning Commission of the City of Santa Ana.

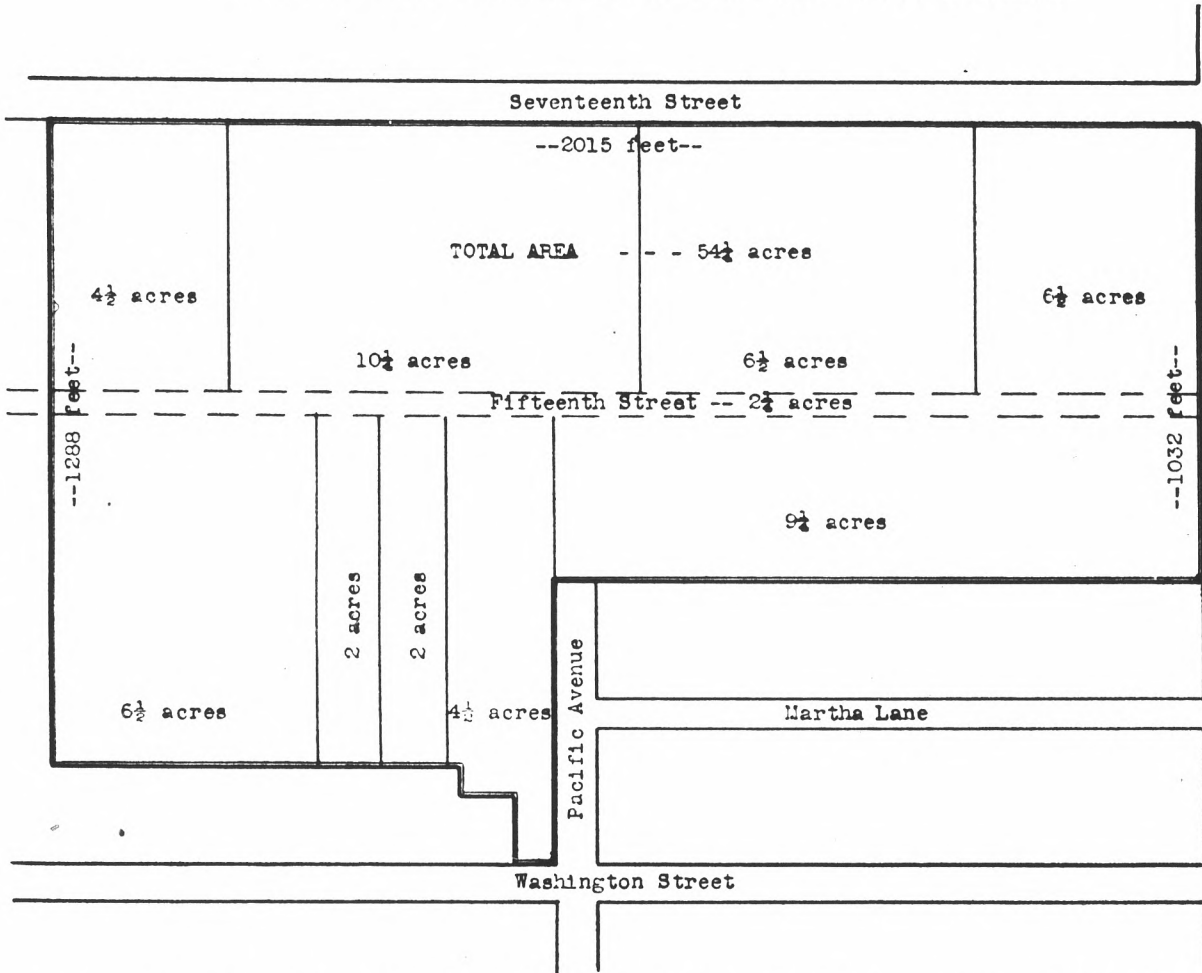

"Experts in the field of appraisal have been brought for consultation and two appointed appraisers at present are making a complete property appraisal for use by the Board in negotiating with owners for purchase. The next step is the selection of an architect to draw up a master plan for an adequate college campus and plant.

"We express appreciation for the encouragement at many citizens and groups have given in this project, and we are proceeding as rapidly as is reasonably possible towards its consummation.

"From time to time we shall be glad to acquaint the faculty, the Junior College students and alumni with the further progress of these plans."

SANTA ANA BOARD OF EDUCATION

PROPOSED COLLEGE SITE FOR NEW PLANT

Here is the 54-acre site selected by the Board of Education and approved by the City Planning Commission for a new junior college campus. It is located on West 17th Street, with a frontage of 2015 feet on Seventeenth and 1032 feet on Bristol Street. The above map shows the nine parcels of land comprising the total area and the approximate size of each. It includes a part of Fifteenth Street, totalling about two and one-quarter acres, which would be closed and taken as a part of the campus site when the new plant is erected.

Pickering Named Don-of-the-Week

Jack Pickering was voted Don-of-the-Week by a very great majority for the Thanksgiving day game with Compton, Vanderma's announced Wednesday morning. Bob Childs placed second and Bill McGee third.

Football Banquet Changed to All-Sports Dinner

Inability to secure athletic awards by Dec. 8 and a desire to honor basketball men together with the football squad determined the postponement of the banquet planned for next Friday until early in the second semester, Bob Miller, social commissioner, announced today.

Coach Bill Cook, Coach Bill Foote, and Director McCoy discussed the question at length, being of the opinion that all athletes should be recognized in some way formally.

At the executive board meeting Wednesday afternoon, Shirley Miller and Betty Speich presented a student petition urging that the banquet be held in 1944. Later, after consideration of the matter by the board, the petition was withdrawn. The board proposed, instead, a Christmas party or dance for Dec. 15 under the direction of the women's service clubs. Shirley Miller was appointed to advise the club presidents of this decision and to report back to the board the action of the clubs at a special meeting of the board today.

The postponed football banquet will take the form of an all-college sports' dinner to be held later.

Don Letter of Month Now In Mails

November Don Letter-of-the-month, the regular newsletter by John H. McCoy, director of Santa Ana junior college, to former students now in the armed services, has just been mailed out in the form of a Christmas greeting.

As a post-script to the letter, a copy of the famous "Night Before Christmas" poem is attached.

Rev. Gerald S. Bash, who will speak at memorial service Dec. 7.

Memorial Assembly Thursday In Library

In honor of the men who have been killed in the service, the regular memorial assembly will be held in the library on Dec. 7 at 11:00. The custom of thus observing Pearl Harbor day was established in 1942, one year after the entrance of the United States into the war.

Margaret Griset, president of the Associated Students, will introduce the speakers of the morning, Mr. Frank A. Henderson, superintendent of schools; Mr. John H. McCoy, director of jaysee, and Rev. Gerald S. Bash, pastor of the First Christian church.

The double trio from the music department will close the service with "Lord, Hear Our Prayer."

Former jaysee students killed in this war are Lt. Delbert L. Holan, Lt. Robert Spickard, Allan Goff, Lt. Myers McCrory, Lt. Aldon Alleman, Cadet Arthur Berry, Lt. Gilbert Planchon, Lt. Robert Guenther, Lt. Carlos Enoch, Ensign Claude Bassham, Lt. Mill Oakley, S/Sgt. Ted Bernstein, Lt. Joe A. Herbert, Lt. Frederick Becher, S. 1c Guadalupe Castenada, Lt. Roger Fuller, Ensign Derrel Wolpert.

Ensign R. Peter Plumb, Flt. Sgt. Ted M. Mills, Lt. Walter Swanberger, Capt. William Semnacher, Lt. Donald Adair, Lt. Roy A. Corry, Ensign Jack Wilke, Cadet Robert Morrison, Lt. Jack Enoch, PhM 2/c Marvin Adam Lehr, Lt. Everett Perko, Lt. John Cleary, Jr., Capt. Wallace Jennings, Lt. Don Oliphant, Lt. Wilmer R. Lee, Lt. Col. Raymond Nowotny, A. S. Wm. Robert George, Lt. Carl Wannamaker, Lt. Maurice W. Hollowell, Ct. Edward Bristow, Cpl. Welton Pagenkopp, Lt. Douglas Charlton, Lt. Paul Kimball.

Lt. Robert Bushman, Lt. George A. Griffith, Pfc. George E. Hart, Jr.

YMCA Holds Breakfast Meeting

The fourth meeting and third breakfast of the jaysee YMCA occurred at seven o'clock, Tuesday morning, Nov. 28, in the banquet room of the YMCA building. Mr. William Foote, adviser for the organization, discussed with members plans for future service by the group.

At the opening of the semester the organization elected Bill Dennis, as president; Bill Neth, vice-president; and Fred Shand, secretary-treasurer. A membership drive increased the enrollment from eleven men to twenty-four.

Urges Support for New J.C.

The following statement was released by Director John H. McCoy following receipt of the statement by college trustees:

"The progress report issued yesterday by the Board of Education is most gratifying and should be an incentive for all students and faculty members to join the Trustees in their endeavor to solve local campus problems and provide a new college plant for Santa Ana.

"Now is the time to make your support known by work and deed!

"Students, both individually and in groups, can aid the campus development by carrying the word home and by explaining the need for adequate facilities here. All who attend classes know that need is urgent.

"Faculty members can aid by expressing their support and by shaping definite courses and building plans for the future development of their respective departments.

"We must all join in the campus development program . . . now!"

YW Delegates To Attend Meet At Occidental

YWCA president Lou Ann Acree and public affairs commissioner, Erlene Vite will represent the jaysee YW at the United World Student conference at Occidental college tomorrow.

Each college will represent a particular country or region and present a Christian statesmanship of their country. Our delegation has chosen Esthonia and the Baltic countries.

The conference will be divided into six commissions: (1) Political Order, (2) Economic Cooperation, (3) Subject Peoples, (4) Military Power, (5) Minorities, (6) Treatment of Conquered Peoples.

A bill of rights for humanity will be formed from the findings of the six commissions. The conference, under the direction of the Student Public Affairs Commissions, is an all day meeting from 9 a.m. to 10 p.m.

Dance-Rally Successful

"One of the most successful social events of the semester," reported students after the barn dance and football rally on Tuesday, Nov. 21. The loft of Flippen's barn, scene of the party, was bright with green and brown streamers and reflectors as the result of the efforts of Don Butler, Virginia Stearns, Judy Baird, Gene Harding and Charles Schutch who worked all afternoon decorating.

The evening opened with a grand march. Later Coach Bill Cook introduced the football team with a pep talk. Director John H. McCoy and Captain Willard Bristow spoke on the Thanksgiving game and past contests. Romyne Kern and Wanda Parsons presented the skit which they had written and given prior to the party in advertisement of the event.

Prizes For Costumes

Prizes were awarded for the best costumes in "checks and jeans." Joan Powers won the check prize, two tickets to the Thanksgiving game. Roger Neth and Kenny Gabriel tied for the men's prize.

DEAR DON

Dear Editor:

This is to inform you of my change of address. My present address is: Pfc. W. Couch Jr. 1909-8919, Sec. C. Flight 5, KAAF, Kingman, Arizona.

Lots of things have happened to me since I have been stationed here in Arizona. The biggest thing being my marriage last August 8th to a girl from Prescott, Arizona.

I would appreciate it if you would send me Flt. Officer Dexter Ball's present address so that I could drop him a line. We went to S.A.J.C. together.

Sincerely,
W. Couch, Jr.

The official publication of the Associated Students of Santa Ana Junior College, Santa Ana, California. Published bi-weekly during the college year while jaysee is in session, except the weeks of quarterly and semester examinations, and issued on the Junior College consolidation ticket, the price of which includes \$.50 for subscription to the paper.

Entered as second class matter November 9, 1927, at the post office at Santa Ana, California, under the act of March 3, 1879.

"REMEMBER PEARL HARBOR"

"We're Going Back to Bataan!"

In Memoriam

Since the bombing of Pearl Harbor, December 7, 1941 and the entering of the United States into this, the second World War, we have lost many of our sons and brothers. To the memory of these brave boys we dedicate a day, December 7th, on which we humbly give a service in commemoration of those who gave their lives.

We should not sorrow for those that we have lost, since lost they can never be. They are glorified! Our loved ones can never be dead for they reign supreme in our memories, never growing old, but remaining eternally ours, as we remember them. They are purer, more saintly, than they were, for in shedding their blood they also shed the vices, the littleness, the weaknesses. Now only their pure spirits remain with us to show us a better way, to enable and uplift us so that our eyes look higher and our souls never descend.

The sacrifices that they have made for us have not been in vain. They are our teachers and our judges, because the dead weigh the souls of the living, and our happiness depends upon their verdict.

"He fills the poorest, darkest dwelling with a splendor of which it never ventured to dream" says Maurice Maeterlinck, famous Belgian author, in speaking of the soldier slain in battle. "His constant presence, imperious and inevitable diffuses and maintains a religion and ideas which it had never known before and hallows everything around it."

Let us see our dead in their true light and not weep for them. Let us take from them the great lesson that they would teach, that their greatest of all sacrifices has brought—a better, higher life, for in this way the world will be freed of hatred and sin and they will not have died in vain. —H.G.

More Mail, Please!

"Gosh, it has been two weeks since I have received a letter from home," muttered the young private as he watched his buddies eagerly reading their mail.

Dejected, he walked into the mail officer's shack for the third time that day to ask him to look again to see if he had any letters.

The mail officer is constantly blamed for letters that do not come, although he has nothing to do with delays or unwritten letters. Someone forgot to write G.I. Joe today.

Many service men have said that they would rather receive letters than eat. Feeding their morale is more important than feeding their bodies sometimes. A few lines from mon would do much toward making G. I. Joe's life a little more pleasant and bearable on the lonely Pacific Island.—J.S.

Buy That Bond!

Tokyo, here we come—again!

The sixth war loan drive is underway! By the date of its expiration, fourteen billion dollars worth of bonds must be sold throughout the United States; and in California, eight hundred and thirty-six million dollars must be invested in bonds.

In view of the purpose for which this money is to be used, it is a small thing to ask that each citizen contribute toward his own defense. Everyone in this nation should readily accept his responsibility in safe-guarding the future of America.

The slogans say, "Buy that bond. Aid America. Aid yourself." That is about the clearest, most pointed way it can be stated. By helping America you are definitely looking out for your own future.

Last semester the Junior college helped in a big way to put over the fifth war loan drive, and the total bond sales of our college reached a stupendously high mark.

War Veterans Find Needs Met In Jaysee

A committee to counsel service men and women returning to jaysee is headed by Miss Genevieve Humiston as general chairman. Miss Mabel Whiting is in charge of transfer and evaluation of credits, and Mrs. Grace Knipe is directing the testing program.

Miss Frances Egge and Mr. William Foote are other members of the committee.

"Santa Ana junior college will admit returning veterans at any time and will grant whatever credit these men may earn," Miss Humiston stated.

"The advisory committees will counsel in regard to program and type of work, guided by tests and records of previous educational courses taken.

"Every effort will be made to meet the individual needs of returning veterans by means of regular, short-unit, and individual courses.

The Federal government has enacted two bills to assist veterans in continuing their education. The first act, passed in 1943, is known as the Vocational Rehabilitation Act and provides that any service man with ten per cent or greater disability be entitled to vocational training in a college, university, trade school, or industry. He may choose his school and the course he wishes to follow governed by the advice of the institution in which he is enrolled.

The term of training provided by this act may extend to four years with \$92 a month allowed for single men. Veterans having a dependent are allowed \$103.50. Two men, Frank Devenney and Earle Nixon, are now in jaysee under this bill.

A second act, commonly known as the G.I. Bill of Rights was passed in 1944. It has many divisions but the educational provisions allows one year of schooling for anyone who has been in the service for 90 days or more. Free choice of schools and courses is provided. The counseling is done by the schools which the men enter.

The bill further provides that men under 25 years of age whose education was interrupted by the war, (if they have done satisfactory work during their first year in the school selected), may extend their training up to as many years as they were in service, provided the number of years does not exceed four. These men are allowed \$500 a year for tuition, laboratory fees, etc. and \$50 a month for living expenses. Men with dependents are granted \$75 a month.

As yet no one has enrolled in jaysee under the G.I. Bill, although four ex-service men are in college—Kenneth Gabriel, John Muir, Bill Flannigan, and John Francis.

Post Office Urges Early Mailing

Want your packages destined for friends and relatives in other sections of the country to reach them in time for Christmas? Then, you should mail them by December 1 or soon after, advises the Post Office Department and the Office of Defense Transportation. Early purchasing and shipping of Christmas gifts by civilians and service people alike will relieve the holiday strain on transportation services.

Club to Feature Christmas in Fiesta

The first Thursday of this month, Dec. 7, is the date set for the next meeting of El Club Cervantes, according to Betty Jo Williams, club president.

A very special Christmas program is being planned for this meeting, the last to be held before the Christmas holidays.

El Club Cervantes was organized in 1933 to further interest in conversational Spanish, to gain some knowledge of Spanish customs and life, and to give members frequent contacts with Spanish speaking people.

Membership is open to all students who have some knowledge of the Spanish language.

YW-IR Clubs Unite In Round Table

A large group of students and teachers considered post war education and possible divergences from pre-war education at a round table discussion led by Mrs. Jeanie Tessmann, Nov. 17, in the women's lounge, when the International Relations club met with the YWCA for tea.

Speakers included Mrs. G. Smith who presented Post-war Education in the U.S. Mr. W. F. Dohr who outlined briefly vocational rehabilitation work. Miss Mable Whiting who talked of Education in China, and Miss Le Watson who related experience in France.

Post-War Education in U.S.

Mrs. Smith stated that on seven per cent of the armed forces expressed the desire to continue their education after war. The veteran is only one of the problems of post-war education. The development of overlapping agencies to direct returning veterans may cause a serious problem, she pointed out. Probably the colleges would be best fitted to guide post war education, Mrs. Smith feels. She stated that in recent years the culture background and value education had been abandoned for vocational training.

Vocational Rehabilitation

Mr. Dohr, whose job is to help physically injured or disabled people in "meeting life situation in a democracy," said that he approaches a case by learning the physical limitations, interest, aptitudes, disposition, mental ability and aptitudes of the person he is to help. He feels that many students, and people in general, shoot for something which is beyond their ability, while others set a goal too low for their abilities. Mr. Dohr thinks that culture and vocational education should be taught together, that labor, industry and education should cooperate for the benefit of all.

Education in China

In contrast to post-war education, Miss Whiting discussed present education in China, the country with the highest illiteracy percentage in the world. She said the few educated people in China were all called upon to fill government positions. Because Japan has aimed her bombings on Chinese educational centers, schools have moved west—as far as 2000 miles. Education is continued today in underground caves. Chinese students are majoring in economics, journalism, and medicine.

French Education

Miss Watson spoke on education in France. Because educational standards there are high, France has the lowest illiteracy rate of any country, she said. Paris, the seat of the French government, controls the entire educational system. Great freedom of thought and speech characterizes the French student and teacher. Following the discussion, YW representatives served tea and cookies.

L'Hotel de Rambouillet To Observe Noel With Dinner

L'Hotel de Rambouillet will be singing traditional French carols at the Christmas dinner meeting on Tuesday evening, Dec. 5, in the women's lounge.

French dishes will be featured at the meal which will follow the program of song and praise. After the dinner games and socials will occupy the attention of the members, Mary Harding, president of the club said today. Annette Wollert and Margaret Griset will be in charge of the musical number while other members will arrange the tables and decorations.

From Exchanges

Glendale College is putting a drive Nov. 17 to raise money for Student War Relief throughout the world.

The Glendale Board of Education has set aside a fund which will be available as soon as building restrictions are lifted to their new campus buildings.

News of Former Students in the Service

‘ARMA VIRUMQUE’

Cpl. Virgil T. Short
Cpl. Virgil T. Short, who has had two and a half years of Army infantry duty in the Southwest Pacific theater of operations, is now home on a 23-day furlough. He will report to Santa Barbara's redistribution and reclassification center at the close of his visit.

A resident of Santa Ana for fifteen years, he attended local schools, including the high school and junior college.

Capt. Frank R. Labrucherie
Frank R. Labrucherie, with the field artillery in England, recently was promoted from first lieutenant to captain. Born in San Juan Capistrano, he was graduated from Tustin Union high school, and Santa Ana junior college. Capt. Labrucherie has been in service two and one-half years and overseas four months. He was an instructor at Ft. Sill, Okla., for a year before he was sent across.

Second Lt. Floyd E. Gorton
For "meritorious achievement while participating in AAF bombing attacks on German industrial targets and on Nazi airfields, supply dumps and gun emplacements," Second Lt. Floyd E. Gorton has been awarded an Oak Leaf Cluster to the Air Medal. A navigator on a B-17 Flying Fortress of the 95th Bombardment group at an Eighth AAF bomber station in England, he is a member of a fortress group which led the first American bombing attack on targets in Berlin.

As part of the Third Bombardment division, his group also shared in the citation given the entire division for its historic England-Africa shuttle bombing of a Messerschmitt fighter plane plant at Regensburg, Germany, in Aug. 1943.

Second Lt. Gorton was formerly a student at Santa Ana junior college, and also attended the University of California at Berkeley.

Major William H. Kistinger
Word has been received of the promotion of Capt. William H. Kistinger to the rank of major. He has been in the Pacific for the last 18 months. Executive officer of his battalion, he has been transferred to the staff of base headquarters.

Major Kistinger attended Santa Ana schools, and was graduated from junior college in 1934.

Esther Schmidt in Marine Corps
A Santa Ana junior college graduate, Esther I. Schmidt, now serving with the U.S. Marine Corps Women's Reserve, has been promoted to the rank of corporal at the Miramar Marine Corps Air Depot, where she is a file clerk.

A member of the O.K. club and Las Meninas, she was graduated in 1938. She is the daughter of Mrs. Esther B. Schmidt of Inspiration, Arizona.

John N. Moffett
John N. Moffett who attended jaycee in 1942, received his silver wings as a pilot of the Army Air Corps Nov. 20 at Blackland Army Air Field, Waco, Texas when he graduated from the advanced twin engine pilot school.

Lt. Lewis G. Wetherell
Lt. Lewis G. Wetherell, son of Mrs. Venice Wetherell, jaycee custodian, and Mr. H. G. Wetherell, has been awarded the Silver Star medal for gallantry in action. Lt. Wetherell is aide to Maj. General John S. Wood, commanding general of the Fourth Armored division in the European theater.

The medal was awarded for "devoted attention to duty in the swift advance of the Fourth armored division across the Britany peninsula and from Orleans to Nancy, often in the face of enemy fire."

Lt. Wetherell is the former national public parks tennis champion for two consecutive years. While attending USC he was also national inter-collegiate doubles champion.

Lt. Ben F. Detweiler
Second Lt. Ben F. Detweiler of Santa Ana, a pilot flying with a 12th Army Air Force B-25 bombardment group based at Corsica has been awarded the Air medal for "meritorious achievement while participating in aerial flight."

Waves Visit Jaycee
Never before in American history have women played such an

important part in winning the war. Among the great opportunities offered to women today, none is attracting more attention than service in the Navy. "Men are in the Navy to fly planes, man the ships, in a word—to fight." To back their attack, WAVES are filling vital military jobs," Ensign Virginia Lindsey stated at the AWS tea in the Women's lounge, Nov. 8.

Ensign Lindsey explained in de-

tail the many jobs which WAVES can handle as well as or better than the men they replace. "Did you know that there are WAVES who are test pilots in Navy yards investigating the effect of wind stress on our new models of Navy planes?" "From the moment you step out in your Navy blues, you step into a brand new experience," she added.

"The Saga of Winnie the Wave"
Four WAVES, Dorothy Lewis, Laurette Lovell, Martha Robbins, Phyllis Dockeray, specialists (R) 2/c entertained the college women with the skit "The Saga of Winnie the Wave," written by Laurette Lovell.

World Student Service Fund Rehabilitates Youth of World

WAA Active In Toy Drive

The efforts of the WAA will be directed for the next two weeks towards a toy drive for children of the tuberculosis ward at the Orange County hospital. Margaret Grisct, president of the WAA, urges all students and faculty to contribute to the toy drive by putting toys into the box that has been placed in College hall.

All toys collected by the WAA will be wrapped at a party to be held Thursday afternoon, Dec. 14, in the women's lounge. The toys then will be delivered to the hospital. Members plan to sing Christmas carols to the children, provided hospital authorities permit.

WAA Christmas Tree
The WAA will purchase and decorate the traditional Christmas tree for College hall on Tuesday, Dec. 5.

Tavern Tattlers Initiate Members

According to the custom of the Tavern Tattlers, each newly initiated member presented a piece of literary effort at the initiation meeting Wednesday night at 7:00 in the Women's lounge.

President Elizabeth Baker presided and plans for Tavern Post, the literary publication of the club, were discussed. Miss Lillian Dickson, adviser, says that the Tavern Post will be out sometime near the first of next semester. Important announcements concerning the magazines will be made later.

Students interested in the club and invited to join included: Colleen Baker, Sharon Engen, Marian George, Beth Guynn, Dorothy Hamilton, Mary Harding, Shirley Heaston, Romayne Kern, Nina Kipf, Mary Belle Ladd, Iris Lake, Laura Landrum, Caroline Markwood, Rose Marie Meric, Wanda Parsons, Juanita Robinson, Beryl Sell, Alleyne Snyder, Bobbie Ann Thwaite, Jean Taraldson, Shirley Winter, Fred Shand, and Jeanette Shook.

Officers of the club are: Elizabeth Baker, president; Lois Bogardus, vice-president; Jackie Townsend, secretary and treasurer; and Miss Lillian Dickson, adviser.

Literary minded students are given the chance to join Tavern Tattlers, which is patterned after the groups which gathered in taverns for literary discussions during Shakesperian time. Publishing the Tavern Post each semester is the main contribution of the Tattlers to the college. Edited by a staff of club members the magazine includes the literary output of jaycee students.

US Department of State Transports Materials to China

The World Student Service reports from headquarters in New York that the return of students to universities in the occupied countries is a harbinger of a great realistic reformation in education and of the development of a hopeful student unity and solidarity round the world.

The world Student Service Fund has worked since 1937 in its campaigns in American colleges for the relief of suffering fellow students in Europe and China. On the jaycee campus this effort has been in previous years sponsored by the Y.W.C.A. organization, but with China only in view.

The U.S. Department of State, Division of Cultural Cooperation with China, telephoned the World Student Service Fund in New York on November 4th, offering to transport seventy-five pounds of cultural materials to China by plane if they could be delivered in Washington within a few hours. In short order, \$200 worth of vitamin pills (given by the Chinese Students' Christian Association in North America), fountain pens, scientific books, two sets of badly-needed dental instruments, a pair of glasses, on prescription for a Chinese college president, magazines, and student supplies were assembled and in ample time were delivered in person to the State Department by Yumiko Saito, Japanese-American office girl of the World Student Service Fund. In 1944-45, \$150,000 of the W.S.S.F. funds from American students will go to China to be administered for students by the National Student Relief Committee through 28 local committees.

European Students Heroic
Authentic reports on the university situation in Europe, sent out by the European Student Relief Fund in Geneva to the World Student Service Fund, reveal the heroism of students in the war-ravaged lands. In Belgium, the University of Brussels has been closed since 1941 because of the resistance of students and professors to unfree education. The Library of the University of Louvain has been destroyed with most of its 900,000 volumes, some of which were priceless and irreplaceable.

Dutch Students Patriotic
In Holland, the University of Leyden, founded in 1574, was closed when 54 professors and three instructors resigned in protest to the dismissal of their Jewish colleagues. Between 70 and 80 per cent of the Dutch students have incipient or active tuberculosis, due to undernourishment

Goal Set For Fund

The World Student Service Fund, with its 1944-45 goal of \$500,000 in the United States serves these students in Europe and Asia in their extreme present need, and is now launched on the rehabilitation and reconstruction program in the liberated areas, starting in France. The work is conducted for students of all stricken lands according to need and regardless of race, nationality, religion, or politics.

APOLOGY

The El Don staff wishes to apologize to Don Butler for a serious error about the campus activities broadcast. It was stated that the broadcast was held every Monday, Wednesday, and Friday mornings at 7:30 over KFWB which is incorrect, campus news is broadcast only on Friday.

Dons' Record

Although the Dons have won only one game all season, the team is much stronger than its record indicates.

The Dons only victory was over Compton by 12-7, and their worst defeat was suffered in the Thanksgiving day game against Compton by a 20-12 score.

Looking at statistics on Don games, only Fort MacArthur and Modesto held an edge in the statistics. This season's team is probably the greatest Don team to ever lose six games in one season. This record can be traced back to the fact that the Dons lacked the reserve strength that made them the scourge of the nation in 1940 and 1942.

Don Grid Scores

Santa Ana 13, Ft. MacArthur 18
Santa Ana 12, Compton 7
Santa Ana 13, UCLA Bees 20
Santa Ana 12, Pasadena 12
Santa Ana 7, Modesto 14
Santa Ana 7, Pasadena 12
Santa Ana 26, USC Jr. Var. 27
Santa Ana 12, Compton 20
Santa Ana 102, Opponents 130

Dons-of-the-Week

Fort MacArthur, Jimmie Davis
Compton College, Willard Bristow
UCLA Bees, Don Givens
Pasadena, John Francis
Modesto, Carl Oberto
Pasadena, John Etchandy
USC Jayvee, Bill Neth
Compton, Jack Pickering

Don Cagers Report Monday

Monday afternoon at 4:15 p.m., Coach Bill Foote's Don basketball candidates will report for their initial practice at Andrews' gymnasium on the Santa Ana Senior high school campus.

Prospects at the present time are good, however, most of the boys may not be around very long.

Roy Churchill, regular forward in 1943, and Kenny Gabriel, reserve center in 1943, are the only lettermen expected to report.

Santa Ana hi will contribute Jack Pickering, who has a bad knee, Bob Hollis, and Jack Woodsmall. Huntington Beach sends Roland Edwards and Don Nolin, Puente will be represented by Dick Conde, Newport sends Fred Shand, Laguna hi sends an experienced player in Bruce Pierce, Garden Grove candidates will include Walt Donovan and Leo Perkins, Anaheim brings to the Don campus, Jim Davis, and Tustin sends Ron Marsile and Frank Errota. Other promising cagers are expected to report next Monday.

Coach Foote has lined up two games for the first week, the first being with the Medical Corps of the Santa Ana Army Air Base next Wednesday.

Fullerton Co-eds Trounce SA

First inter-scholastic bout of the season for the WAA basketball team took place last Tuesday when the jaysee women traveled to Fullerton via bus to challenge two mighty college teams.

Hopes for winning were very small as the Santa Ana women had but two practices under their belts. However, all members welcomed this competition as very good practice.

Both the girls' and boys' gymnasiums were used to accommodate the two teams. Because of transportation difficulties, there were no substitutes for either of the SAJC teams.

Santa Ana WAA'ers lost both of their matches with scores of 15-47 and 40-3, but Miss Crawford, women's P.E. instructor and adviser for the WAA warned the girls not to be discouraged. The limited practice periods of one per week and poor dirt courts had much to do with the defeat.

The Fullerton women showed their guests wonderful hospitality in all respects, and offered refreshments of cokes and doughnuts to the famished players after the games.

Dons, Champs in Season Windup

FIVE DONS DON GRID TOGS

Pictured above are five Dons, who will perform against Modesto's championship Pirates in the northern city today. The Dons hope to avenge the 14-7 loss to the Pirates earlier in the season. Reading from left to right, Jim Davis, Bob Childs, Jack Pickering, John Francis, and Wes Mendoza, who is no longer in school. Hiding behind Pickering, is Fullback Don Givens.

Former Athlete Guest Speaker

Filling in for Lt. John Ward, who was unable to attend, Ensign Harold Lilley, former Don athlete, was the guest speaker for the boys of the Orientation classes, Tuesday morning, Nov. 28.

Lilley spoke of his duties in South America, and was asked many questions of his experiences while in the service.

Lilley told about the sinking of a submarine, the attitude of the Brazilians and Argentines toward Americans and Germans, the climate and social life in Brazil, and mentioned the importance and future use of radar.

Although not expecting to speak before an audience, Ensign Lilley gave an extremely entertaining talk. He graduated from S.A.J.C. in 1941. Coach Cook rates him as one of the finest quarterbacks he has ever coached. He performed on the National Championship team of 1940, and captained the Don basketballers in 1941.

He graduated from Tustin hi in 1939, where he was a star in football, basketball, and baseball.

Following Lilley, Director John H. McCoy spoke on the system Coach Paul Brown of Ohio State uses to gain his fine material at Ohio State. He mentioned that Ohio State will follow the pattern of Notre Dame, as having one of the nation's powerhouses, year in and year out.

Where Bond Dollars Go!

Bond Dollars are used as follows:

- 19c for aircraft
- 12c for ordnance and signal equipment
- 10c for Navy and Army vessels
- 4c for merchants ships
- 11c for miscellaneous munitions
- 14c for war construction
- 25c for non-munitions war items (pay, subsistence, travel, export commodities, etc.)
- 5c non-war uses.

BILL McGEE

Another formidable Bill on the Don team.

Dons Drop Heartbreaker To Trobables 27-26

In another of the typical 1944 Don football games, Coach Cook's Dons again were edged out by Coach Glen Galvin's Southern California Junior varsity by a 27-26 count in the local Municipal Bowl on Saturday night, Nov. 18, 1944.

Dons Lead At Halftime

Santa Ana took a 6-0 halftime lead in the last few seconds of the first half, with Don Givens climaxing a 50 yard drive by plunging 3 yards for the t.d. Ron Marsile missed the conversion attempt.

Troy Takes Lead

U.S.C. took the lead in the third period with two quick touchdowns.

The first Trojan score came after a poor Don punt by Dick Conde. Mitchell passed 13 yards to Gardner for the score. Mitchell then added the conversion and the Trobables led 7-6.

A 70 yard touchdown gallop by Dave Gardner gave the Jayvee's a 13-6 lead, midway in the third canto.

Etchandy Scores For Dons

The Dons made it 13-12 early in the fourth period. After a poor Trojan punt, John Etchandy shook off several tacklers to score on an 11 yard "Statue of Liberty" play. Marsile missed the conversion.

Trojans Tally Two More

U.S.C. struck suddenly for its last pair of touchdowns.

Bill Burnett streaked 60 yards for Troy's third touchdown, with Mitchell adding the extra point.

A few minutes later, S.C. scored its final touchdown on a 15 yard pass from Mitchell, former Don fullback, to Ernie Wilson in the end zone. Ken Mitchell's extra point decided the action packed struggle.

Woodsmall Passes Brilliantly

Just when the crowd was filing out of the stadium, Jack Woodsmall, who reported to the Don squad recently, passed the Dons to two more touchdowns.

A 38 yard Woodsmall pass to Perkins on the S.C. 26 paved the way for the third Don touchdown. Woodsmall then passed to Etchandy who was brought down on the 1. Don Givens then bucked across, and Marsile added the extra point.

The final touchdown came after John Muir recovered a Trobabe fumble on the 29. After one running play to the 27, Woodsmall tossed to Pickering for the t.d. Marsile again added the extra point.

The Trojans took the ensuing kickoff, and froze the ball the remainder of the game.

BULLETIN

The executive board this week granted Las Meninas the privilege of selling apples and doughnuts at the noon period, with the profits from such sales to go to the students fund, according to Laura Landrum, who made the proposal.

PIRATES SHOW IMPROVEMENT OVER EARLIER GAME

Compton Wins 20-12

Leading by 12-0 at halftime, Coach Bill Cook's Dons fell under a 20 point last half Compton avalanche at the Municipal bowl in a Thanksgiving day grid battle.

The Dons were handicapped by the loss of Jim Davis, passer-de-luxe, and Leo Perkins, ace blocking back. Both boys rode the bench with injuries suffered in the S.C. game.

The Dons last home game was attended by 8000 spectators.

Givens Scores First

The fast starting Dons drew first blood by scoring in the opening stanza, travelling 65 yards in five plays. Don Givens climaxed the drive by skirting left end from the one. Dick Conde's passes to Childs, Givens, and two to Pickering, set up the score. Marsile missed the conversion.

Conde's Passes Click

The Dons scored their second and final t.d. in the second period.

After Roger "Bearcat" Neth recovered a Tartar fumble on the 47, the scarlet and black traveled 53 yards in 3 plays.

Dick Conde, who filled in very well for Jimmie Davis, passed to Childs on the 35, Givens then ran 7 yards to the 28, and Conde passed to Pickering for the touchdown. Marsile's attempted pass for the conversion fell incomplete.

Tartars Score On Break

Compton scored its first touchdown in the third period, when the Dons Dick Conde fumbled on the 35, and Compton's lanky "Crusher" Kraushaar caught the fumble in the air and scampered 35 yards for the score. Riley added the conversion, and the Dons led by 12-7.

Tartars Take Lead

Compton took the lead by driving 43 yards for a touchdown in the third period. Roy Riley passed to Kraushaar on the 30, then to "Antelope" Al Caruthers on the 3, and Joe Perry went across in three tries. Riley again converted.

Perry Ices Fray

Joe Perry, Compton speed-burner, iced the contest in the fourth canto.

After Roy Haasl had intercepted a Woodsmall pass on the Don 12, Perry scampered 12 yards for the final score. Riley missed the conversion attempt.

Bristow Outstanding

The outstanding griddon on the field was Willard Bristow, Don captain, who stopped every Compton threat through the middle. He deserves to be chosen on the All-Conference team.

Bob Childs, Don end, also played a sensational game, playing all but a few seconds of the entire contest.

Compton's superior reserve strength was the deciding factor of the game.

Don-of-the-Week

BILL NETH

Vanderma's announced that Bill Neth, scrappy Don guard, was voted Don-of-the-Week for his great play in the Southern California jayvee game.

Dons Must Fight To Escape 'Cellar'

Coach Bill Cook's Dons bring down the curtain of the 1944 football season by meeting the heavily favored Modesto Pirates in Modesto tonight.

Coach Earle's Conference Champions edged out the Dons earlier in the season by a 14-7 count, and have kept improving since that time.

Dons In Poor Condition

The Dons will be facing the Pirates in very poor physical condition.

Injuries have hit the Don squad, and Coach Cook will have to make several changes in his starting lineup. Jack Pickering, Leo Perkins, and Jimmie Davis are definitely out of the Dons last game.

The starting lineup may find Bob Childs and Roland Edwards on the flanks, Ron Marsile and Bill McGee at tackles, Bill Neth and Willard Bristow at the guards, and Johnny Francis at center. Cook will probably start in his injury riddled backfield, Roger Neth, ordinarily a tackle, at Pickering's blocking back post, along with Don Givens, John Etchandy and Dick Conde. Walt Donovan, Jack Woodsmall, and Bill Flanagan should see early action.

The Dons will be seeking their second victory of the season, but the highly improved Pirate grid machine will take the field as a three touchdown favorite. Pasadena took the Pirates by a 13-6 score early in the season, but were trampled in a return engagement 26-0. Modesto has taken the measure of Compton twice, 13-0, and 26-7.

Sensenbaugh Sparks Modesto

The Modesto backfield operates behind a very swift line. Coach Earle employs the T-formation, and with 145 pound Dean Sensenbaugh or Eddie Hyduke leading the way, the Pirates are able to go places.

Roland Edwards To Play Basketball

Probably one of the finest all around athletes on the Don campus, is Roland "Rolie" Edwards, who registers from Huntington Beach hi. Roland has played a steady game at his end position for Coach Cook's Don grid team, and is expected to play a big part on the Don basketball team, although he may be called by the Navy very shortly.

Edwards is also a very good trackman, and was placed on the All-C.I.F. third team as an outfielder of Huntington's baseball team last spring.
